Name  
Social Media Associate Manager  
ESPN Plaza

To Whom It May Concern,

I am writing to apply for a social media position in the ESPN headquarters. I have submitted my job application, resume, transcript and references. You can also view my digital portfolio at <http://www.hollybostick.com>.

I have always been intrigued with sports and spent a considerable amount of time in college as an athletic recruiter. My major is public relations, so I am familiar with managing social media content and handling situations.

I appreciate your time and consideration. Please let me know if you have any questions.

Sincerely,

Holly Bostick
